***Re: AstraZeneca LP and AstraZeneca AB v. Apotex, Inc. and Apotex, Corp.***  
***Consolidated Civil Action No. 08-cv-1512 (RMB)(AMD)***

Dear Judge Bumb:

We write on behalf of Defendants Apotex Inc. and Apotex Corp. (collective "Apotex") in the above-captioned matter.

On March 5, 2014, Defendants Breath Limited and Watson Laboratories, Inc. (collectively "Watson") submitted a request that the Court reinstate Watson's counterclaims of invalidity as to U.S. Patent No. 7,524,834 (the "'834 Patent") [ECF No. 926], which this Court granted on March 6, 2014 [ECF No. 927]. For the reasons set forth in Watson's letter of March 5, 2014, Apotex similarly requests that the Court reinstate Apotex's counterclaims of invalidity with respect to the '834 patent.

If Apotex's request herein meets with the Court's approval, we respectfully request that Your Honor execute the "So Ordered" provision below and have this letter filed with the Clerk of the Court.

Respectfully submitted,

/s/Eric I. Abraham
